THE HEART & ART SERIES

Building Stronger Communities

Art Expression that invokes discussion

Program Overview: The Heart & Art Series is a quarterly community engagement platform that leverages the arts to help community members across diverse races, cultures, generations, and backgrounds see one another through their “Heart Vision”. These are 3-Hour sessions that involve a thought-provoking and at times controversial artistic piece, followed by a facilitated dialogue designed to reveal, share, and explore diverse perspectives on the piece that was shared.

Film: This 93-minute feature documentary is narrated by Samuel L.

Jackson and is entirely inspired by James Baldwin's *Remember This House*, written by Baldwin in the mid-1970s.^[4] The memoir recounts the lives of his close friends and civil rights leaders Malcolm X, Martin Luther King Jr., and Medgar Evers.

Facilitator: Tru Pettigrew
